

Sprint - 2 Retrospective

Sprint: Sprint 2 (Sep 8, 2025 - Sep 22, 2025)

Team: [COMP30022] Group 6

Sprint Goal:

Get the template editing page to the same standard as the template selecting page. Get every button in the template selecting page working.

Was the sprint goal met?

- 90% met, almost all buttons in the template selection page working,

What Went Well

- List positive aspects of the sprint:
 - good communication
 - preparation for client meeting
 - merging was crazy but good
 - good pace, good amount of user stories ticked off
 - client meeting went well, reviewed feedback successfully from previous client meeting and from project report 1 feedback

What Didn't Go Well

- Identify challenges, blockers, areas for improvement:
 - user stories still not perfect
 - more commenting in code

Action Items and Improvements

- List actions to address issues or enhance team performance:
 - could take a little break from coding to fix everything up
 - continue review user stories
