Sprint - 2 Plan

|	
Main goal	Get the template editing page to the same standard as the template selecting page. Get every button in the template selecting page working. Update Jirra to reflect sprint.
Participants	@Animesh Pandey @Jenna Parkin @Federico Ferracin @Lucasta Cain @Super Derped
Start date	Sep 8, 2025
End date	Sep 22, 2025
Status	COMPLETE
On this page	• 📋 Sprint checklist : • 🏁 Goals : • ⏰ Sprint schedule: Deadline → [22nd Sept] • Task Delegations :

📋 Sprint checklist :

Orange: Backend | Green: Frontend | Red: Get done this week | Blue: New Tasks (not residues from Sprint1)

- ☑ Jira cards to reflect splitting of user stories
- ☑ Have a working button to create new rows to break assessments into subtasks
- ☑ Have redundant fields automatically grayed out
- ☑ Incorporate links to university resources
- ☑ Ensure SDTs are saved via tags of subject name, year, and semester

---

🏁 Goals :

Sub-goals for first 7 days:

- By Friday, Front-end team work on user stories
- Before Friday Back-end team work on learning and Back-end only tasks
- After Friday, Back-end team work on integration

🕑 Sprint schedule: Deadline → [22nd Sept]
